4 Herodotus as ethnographer Very Short Introductions

February 15th, 2019 - "Herodotus as ethnographer" explains how Herodotus's natural curiosity led him to pioneer a new field that would greatly broaden his fellow Greeks' understanding of the human community and eventually lay the foundation of a new field for European anthropologists: ethnography. The notion that cultural norms varied over time and space was hotly contested in Herodotus's day.

Herodotus A Very Short Introduction by Jennifer Tolbert

June 22nd, 2011 - This was a Very Short Introduction. I almost think it too short to be of any practical benefit. If you know absolutely nothing about Herodotus, you might gain something by reading this work, but I would suggest instead *The World of Herodotus* by Selicourt or even better, just read Herodotus himself.

6 Herodotus and the divine Very Short Introductions

February 13th, 2019 - "Herodotus and the divine" explains how much of *The Histories* turns on the importance of digesting and analysing oracular pronouncements with humility and caution. Herodotus uses the way people in his *Histories* respond to divine signs to demonstrate both the character of specific individuals and human nature. What then is the province of the transcendent divine in *The Histories*?

Herodotus A Very Short Introduction Jennifer T Roberts

February 12th, 2019 - Herodotus has come to be respected by most scholars as a responsible and important historian. Herodotus was both a critical thinker and a lively storyteller, a traveller who was both tourist and anthropologist.
